

STRANGE LOVE

From March 9th-24th join us for a sixteen day celebration of film, performance and sound as Strangelove takes over the streets and spaces of Folkestone with a packed programme of live events, screenings, exhibitions, workshops and talks bringing together the diversity and talent of over 125 international, UK and local artists.

FESTIVAL HIGHLIGHTS INCLUDE:

Secret Strangelove programme of encounters and performances in hidden and unusual spaces around Folkestone.

A free screening of Kubrick's *Dr Strangelove* on Wednesday 15th March at the Silver Screen Cinema.

At the Quarterhouse, expect the unexpected at *Queer Puppets Cabaret* on Friday 17th March and immerse yourself in sound and visuals at the Première of *Partial Facsimile's* interactive performance, *Media OS 5.1* on Saturday 18th March.

Follow us @strangerlove and @strangelovefestival for announcements and details of unexpected takeovers popping up throughout the festival. Visit www.strangelovefestival.com to see the full programme and book tickets for events.
